Million team Self-reflection

Kundu Gui

Time: 29/09/2019(Week8)

Role(s): Project Manage/developer

1.   What have I done since the last time reported?

I hosted the team code jam and hosted a client meetings and a team meetings. I studied how to make a poster. I finished the 2 meeting minutes for this week, and finished the reflection for the whole team, I almost finished the access control, which can log in as a staff.

2.   Self-reflection?

Since I was sick in the seventh week, I did not make enough contributions last week. I have to adjust the schedule in the follow-up work to make up for the working hours.

3.   What is the planned until next time report?

I will host the poster meeting, host the client meeting and team meeting, and the weekend code jam, and record all the meetings at the same time, I will assist in completing the poster, and finally I will improve the login system and start preparing for audit3.
